FOR PRICE CAP PURPOSES

Docket No. RM2014-3

**SUPPLEMENT TO REPLY COMMENTS  
OF THE UNITED STATES POSTAL SERVICE**  
(April 18, 2014)

The United States Postal Service hereby provides a brief supplement to its reply comments, which were filed yesterday in this proceeding. No substantive changes are needed in the comments. However, given the improvements in filing requirements that would result from the Commission's proposed rules, the Postal Service is delaying some rate and classification proposals, pending the completion of this proceeding. The Postal Service therefore requests expedition in the issuance of a final order in this docket.

Respectfully submitted,

UNITED STATES POSTAL SERVICE  
By its attorneys:
